

Become a Corporate Supporter for ACFAOM 2008

Mark your calendar for ACFAOM's Annual Clinical Conference scheduled for August 14 to 17, 2008, at the Buena Vista Palace Hotel & Spa, Lake Buena Vista, Florida. In 2009 and 2010 the College will hold its Conference in July at the same hotel.

Major Learning: ACFAOM 2008 will be a concentrated learning experience spread over four days for general practice podiatrists with a strong desire to enhance their clinical skills, incorporate additional patient services, and bill for maximum reimbursement. Approximately 200 highly motivated podiatric physicians are expected, and the Conference will provide practitioners with their entire year's requirement for continuing medical education (CME) credits.

Major Exposure: ACFAOM has made every effort to ensure that the Conference is a 'win-win' meeting for our industry partners. The exhibits will run all day on Friday and Saturday (August 15 & 16) and the fee has been set low to make it very easy to exhibit. To encourage attendees to meet your company's representative, all refreshment breaks and a special reception on Friday evening will be held in the exhibition area.

Major Opportunities: ACFAOM 2008 offers many opportunities for sponsorships such as Conference breaks, named-keynote address, etc. Here are a few of the specifics.

- **Corporate Sponsor: \$5,000** - provide an unrestricted educational grant and we will include your company logo and name on all promotional materials and a link to your Web site on ACFAOM's Web site for 12 months, plus extensive signage at the meeting, personal recognition and thanks from the podium, and a complimentary table top to exhibit your products and/or services;
- **Faculty Sponsor: \$3,500** – identify conference faculty members from your speakers bureau, and be identified with those presentations, including, where possible, the integration of your company's products in the afternoon " hands-on " workshops;
- **Special Function Host: TBD** - present a non-CME breakfast, lunch or reception, or a symposium or workshop, with a speaker and topic of your choice;
- **Exhibitor: \$650** - present your products and/or services at a tabletop exhibition on Friday, August 15 and Saturday, August 16.

Contact: If you haven't already done so, contact Tony McNevin, CAE, ACFAOM's Director of Education, to lock into one of the many opportunities available.
